

Nursing & Physician Assistant Float Pool – Updated August 2026

The Nursing & Physician Float Pool is a resource that Hamilton Family Health Team practices can use to access temporary coverage while their nurse is away. It is the responsibility of the practice to make contact with the nurses/Physician Assistant on the float pool list.

Notes:

- Please discuss reimbursement for time with the Float Pool Nurse/Physician Assistant prior to start of work.
- Please ensure that Float Pool Nurses/Physician Assistants are reimbursed at a rate consistent with Ministry Salary Scale
